CONCEALED CARRY TASK FORCE RECOMMENDATION 2

1. If the Sponsoring Broker utilizes an Office Policy Manual which expresses the Sponsoring Broker’s concealed carry policy, then no change to the Sponsoring Broker – Sponsored Licensee Contract is necessary. Paragraph 6A of this model contract already provides that:

Sponsored Licensee agrees to abide by the requirements and standards of Sponsoring Broker as set forth in Sponsoring Broker’s Office Policy Manual.

2. If the Sponsoring Broker does not elect to address the concealed carry topic in the Sponsoring Broker’s office rules or policy, then the following new paragraph 6.C. could be added under the paragraph 6 general heading “supervision.”

C. Sponsoring Broker does not allow concealed firearms to be carried by Sponsored Licensee on Sponsoring Broker’s premises or anywhere else sponsored licensee conducts business pursuant to this Agreement, including client offices and residences, showings, broker tours, open houses, listing presentations, sales meetings, trade meetings, and conventions or other Sponsoring Broker sponsored events.
