10 **UNITED STATES DISTRICT COURT**
CENTRAL DISTRICT OF CALIFORNIA

11 GEORGE GUTENBERG,

12 Case No. _____

13 Plaintiff,

14 v.

15 **COMPLAINT FOR DAMAGES AND**
INJUNCTIVE RELIEF

16 ZILLOW INC., a Washington
corporation; ZILLOW GROUP INC., a
17 Washington corporation; and DOES 1
through 25 inclusive,

18 Defendant.

21
22 Plaintiff GEORGE GUTENBERG for his complaint against ZILLOW INC.
23 and ZILLOW GROUP INC. alleges as follows:

24 **JURISDICTION AND VENUE**

25
26 1. This is a civil action seeking damages and injunctive relief for
copyright infringement under the Copyright Act of the United States 17 U.S.C.
27
28

1 § 101 *et seq.*

2 2. This Court has subject matter jurisdiction over Plaintiff's claims for
3 copyright infringement pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1338(a).
4

5 3. This court has personal jurisdiction over Defendants because
6 Defendants conduct business and/or reside within the State of California,
7 Defendants' acts of infringement complained of herein occurred in the State of
8 California, and Defendants caused injury to Plaintiff within the State of California.
9

10 4. Venue in this judicial district is proper under 28 U.S.C. § 1391(c) and
11 1400(a) in that this is the judicial district in which substantial part of the acts and
12 omissions giving rise to the claims occurred. Alternatively, venue is also proper
13 pursuant to 28 U.S.C. § 1400(b) because the Defendants reside and have a regular
14 and established business in this judicial district.
15

16 **PARTIES**

17 5. Plaintiff George Gutenberg ("Plaintiff or Gutenberg") is an individual
18 and professional photographer residing in Palm Desert, California.
19

20 6. Defendant Zillow, Inc. is a Washington corporation with its principal
21 place of business in Seattle, Washington.
22

23 7. Defendant Zillow Group Inc. was formed in 2014, following the
24 announcement of the planned merger of Zillow, Inc. and Trulia, Inc. ("Trulia").
25 Zillow Group, Inc. is a Washington corporation, with its principal place of business
26 in Seattle, Washington. Following the closing of the merger transaction on or about
27
28

1 February 17, 2015, Zillow Group owns 100% of the stock of both Zillow, Inc. and
2 Trulia. On information and belief, Zillow, Inc. is currently a wholly owned
3 subsidiary of Zillow Group, which controls or has the power to control Zillow, Inc.
4

5 8. For purposes of this complaint, Defendants Zillow Inc. and Zillow
6 Group Inc. will be collectively referred to as "Zillow."
7

8 9. Zillow is registered with the Secretary of State to do business in
9 California, and maintains an office in California in this judicial district at 2600
10 Michelson Drive, Irvine, CA 92612.
11

12 10. Plaintiff is unaware of the true names and capacities of the Defendants
13 sued herein as DOES 1 through 25, inclusive, and for that reason, sues such
14 Defendants under such fictitious names. Plaintiff is informed and believes and on
15 that basis alleges that such fictitiously named Defendants are responsible in some
16 manner for the occurrences herein alleged, and that Plaintiff's damages as herein
17 alleged were proximately caused by the conduct of said Defendants. Plaintiff will
18 seek to amend the complaint when the names and capacities of such fictitiously
19 named Defendants are ascertained. As alleged herein, "Defendant" shall mean all
20 named Defendants and all fictitiously named Defendants.
21
22

23 11. For the purposes of this Complaint, unless otherwise indicated,

28

1 **STATEMENT OF FACTS**

2 **Defendant Zillow's Systematic Infringement of Real Estate Photographs**

3

4 12. Founded in 2004, Zillow owns and operates the largest real estate

5 website in the world, www.zillow.com ("Website").

6 13. The core of Zillow's Website is the "Living Database of All Homes,"

7 which includes individual detail pages for most of the individual homes in the

8 United States. These Home Detail Pages ("HDPs") provide data such as sales

9 history, number of rooms, and Zillow's proprietary "Zestimate" calculation of the

10 property's current market value.

11

12 14. In many instances, the HDPs include exterior and/or interior

13 photographs of the home at a particular address.

14

15 15. The HDPs for properties currently listed for sale identify the sales

16 price, the listing agent, and other real estate agents in the area. On information and

17 belief, Zillow derives the great majority of its revenue by advertising local real

18 estate agents on these listings.

19

20 16. On information and belief, Zillow obtains information on current real

21 estate listings in data feeds culled primarily from regional associations of brokers

22 known as multiple listing services ("MLS").

23

24 17. MLSs are private databases of individual properties created and

25 maintained by real estate professionals -- primarily licensed real estate brokers -- to

26 help their clients buy and sell real estate. The databases contain relevant

27

1 information about current real estate listings including, in many instances,
2 photographs of listed properties.
3

4 18. Typically, once a property is sold or otherwise taken off the market,
5 the information about the listing, including the photographs of the property, are no
6 longer accessible through the MLS database.
7

8 19. On information and belief, there are over 700 MLS systems across the
9 United States.
10

11 20. On information and belief, Zillow copies as many as five million
12 photographs per day through its hundreds of MLS feeds without verifying
13 copyright ownership of the copied photographs.
14

George Gutenberg is a Real Estate Photographer

15 21. Gutenberg is a professional architectural and commercial
16 photographer, specializing in the photography of high-end luxury residential
17 properties and commercial buildings, as well as hospitality, restaurant, and retail
18 environments. His work has been featured in over 100 domestic and international
19 magazine covers.
20

21 22. Typically, Gutenberg is hired by real estate agents as an independent
22 contractor to photograph a property for a negotiated fee. Gutenberg retains the
23 copyright to all photographs taken of each property, and grants the real estate agent
24 a limited license to use the photographs for up to one-year purposes of marketing
25 the property. The limited license allows the real estate agent to place the
26
27
28

1 photographs on their website, in brochures, real estate magazines, and on the MLS.
2 The license expressly states that it is not transferable and prohibits third party use
3 without permission from Gutenberg. Attached hereto as Exhibit A is a true and
4 correct copy of a typical licensing agreement between Gutenberg and a real estate
5 agent.

6
7 23. In addition to marketing real estate, Gutenberg frequently licenses
8 individual photographs from his library for use in print and online publications, as
9 well as for private, editorial, and commercial usage.

10
11 24. Gutenberg is the sole owner and author of a 543 photograph of various
12 real estate properties (“Images”), which are part of his larger library of architectural
13 and interior design-type photographs.

14
15 25. Gutenberg has registered his Images with the United States Copyright
16 Office as group registrations. Attached hereto as Exhibit B is document containing
17 true and correct copies of Gutenberg’s Images as well as true and correct
18 registration information.

19
20 26. On or about March 2018, Gutenberg discovered that a number of his
21 Images were being used on Zillow’s Website. After a subsequent investigation,
22 Gutenberg discovered that hundreds of his Images were being used on Zillow’s
23 HDP pages.

24
25 27. Gutenberg had no record of issuing a license to Zillow or otherwise
26 granting permission for Zillow to use any of the Images.

1 **FIRST CAUSE OF ACTION**
2 **COPYRIGHT INFRINGEMENT**
3 **17 U.S.C. § 101 *et seq.***

4 28. Plaintiff incorporates by reference all of the above paragraphs of this
5 Complaint as though fully stated herein.

6 29. Plaintiff did not consent to, authorize, permit, or allow in any manner
7 the said use of Plaintiff's unique and original Images by Defendants.

8 30. Plaintiff is informed and believes and thereon alleges that said
9 Defendants willfully infringed upon Plaintiff's copyrighted Images in violation of
10 Title 17 of the U.S. Code, because, *inter alia*, Defendants knew or should have
11 known they did not have a legitimate license for the Images.

12 31. As a result of each and every Defendants' violations of Title 17 of the
13 U.S. Code, Plaintiff is entitled to actual damages and profits pursuant to 17 U.S.C.
14 §504(b), or statutory damages in an amount up to \$150,000.00 for each
15 infringement pursuant to 17 U.S.C. § 504(c).

16 32. As a result of the Defendants' violations of Title 17 of the U.S. Code,
17 the court in its discretion may allow the recovery of full costs as well as reasonable
18 attorney's fees and costs pursuant to 17 U.S.C. § 505 from Defendants.

19 33. Plaintiff is also entitled to injunctive relief to prevent or restrain
20 infringement of his copyright pursuant to 17 U.S.C. § 502.

21 ///

22 ///

1 **PRAYER FOR RELIEF**
2

3 **WHEREFORE**, Plaintiff prays that judgment be entered against Defendants
4

- 5 • For an award of actual damages and disgorgement of all of Defendant's
6 profits attributable to the infringement for the registered Works as provided
7 by 17 U.S.C. § 504 in an amount to be proven or, in the alternative, at
8 Plaintiff's election, an award for statutory damages against Defendant in an
9 amount up to \$150,000.00 for each infringement pursuant to 17 U.S.C. §
10 504(c), whichever is larger;
11
12 • For an order pursuant to 17 U.S.C. § 502(a) enjoining Defendants from any
13 further infringing use of any of Plaintiff's Images;
14
15 • For costs of litigation and reasonable attorney's fees against Defendant
16 pursuant to 17 U.S.C. § 505;
17
18 • For an award of pre- and post-judgment interest; and
19
20 • For any other relief the Court deems just and proper.

Important Image Licensing Terms

You are hereby granted a one-time license to use these images in a brochure, on your website, on MLS, and in typical real estate magazines, for the purpose of marketing the property. This license becomes valid upon full payment of our invoice, and for a period of up to one year. The license is NOT transferable to any other party.

A photo credit is required if images are published in any print form, such as magazine advertisements, or printed brochures as follows:

"© 2018 www.GeorgeGutenberg.com"

or

"Photography by George Gutenberg"

Social media use such as on Facebook, Twitter, Pinterest, or your Blog, is *permitted only for images watermarked "your name / © 2018 www.GeorgeGutenberg.com", maximum image size 1000x1000 pixels, but expressly prohibits the posting of any images created for the client on web sites which claim full resale and distribution rights. If you are unsure about a particular site, notify us prior to uploading, and we will research the site terms to ensure that the terms do not amount to a rights-grab.*

If you need us to assist you with making images with watermarks, just let us know, and we will gladly supply you a set free of charge!

No 3rd party use: Only the photographer who is the sole registered copyright holder can grant any 3rd party use. Copyright violations are pursued vigorously. For example, images cannot be shared, "loaned" or transferred to architects, builders, vendors or individuals for editorial or commercial uses, whether provided at a charge or at no-charge.

Should the homeowner request images, let us know, and we will contact them and provide a special set for them together with a personal-use license (that precludes the use by, for example - another realtor!)

Your use of these images constitutes your agreement to abide by the above noted licensing terms.
