How it works

Why it works

BRANDED BLOG POSTS

Share engaging blog posts directly to your social media channels or through email, all personalized with your branding, photo, and contact information.

Each article is branded to you and features your photo and contact information, reminding your clients of the value you bring to their lives.

DIGITAL PUBLICATION

A monthly interactive digital lifestyle magazine featuring different engaging, seasonal articles every month.

Reach thousands of people by sending the digital publication. It's a great way to start conversations and take those connections from prospects to clients.

LOCAL EVENTS

A beautiful fully-automated biweekly email featuring curated events from your local community!

Branded to you and features your photo and contact info—reminding your clients of the value you bring to their lives.
